The case was discussed in 289th SEAC meeting dated 28-04-2017 and it was recorded that :-

".....PP was also informed to submit above information vide letter no 1528 dated 18/10/2016. PP so far has not submitted the desired information and the case was placed before the committee. The committee observed that PP has neither submitted the desired information nor has requested for providing additional time to submit desired information and thus decided that this case may be recommended for delisting to SEIAA as per MoEF&CC OM No. F-11013/5/2009-IA-II (Part) dated 30/10/2012 as PP has not submitted the desired information..

As per the above observation, SEAC has recommended the case for delisting in view of PP being absent on the scheduled date of presentation. However in the minutes it was revealed that PP has already constructed 18000 sq.mtr. and is a clear cut case of violation and warrants MoEF&CC Notification dated 14.03.2017, wherein the violation cases are dealt at their level. Therefore it has been decided to close the case as it is in the present circumstances comes under A category, and to be forwarded to MoEF&CC for onward action. PP may be advised to apply online on the MoEF&CC website within six months from the issue of date of notification.

Meeting ended with a vote of thanks to the Chair.
